

VANCE-GRANVILLE COMMUNITY COLLEGE
Radiography Program

ADDENDA

To: Junior Students, Class of 2013

From: Mr. Collin Bailey-Clinical Coordinator, Radiography

Date: September 29, 2011

Re: Competency Requirements

There is a typographical error on the Diagnostic Competency and Fluoroscopy Competency forms. Just below the Performance Evaluation columns it reads “**EACH PROJECTION MUST HAVE A MINIMUM SCORE OF 2.5 TO BE CONSIDERED ACCEPTABLE**” The minimum score must be 3.1 to be considered a passing Diagnostic Competency and Fluoroscopy Competency.
