

What are Self-Supporting Classes?

- Self-supporting classes are identified in the VGCC class schedule with an "S" in the section number, for example ENG-111- ES01.
- Self-supporting classes are charged at a registration **fee** of \$66.50 per credit hour for in-state or out-of-state students.
- Because the self-supporting fee is a **fee** and not tuition, there are no tuition waivers for senior citizens, Career & College Promise (CCP) students, VGCC staff, etc.
- We offer some classes as self-supporting and some at the regular tuition rate because we are not funded by the state for curriculum classes that we teach during the summer term. So, in order to be able to offer more classes that our community wants, we offer some with a self-supporting registration fee to help offset the cost of providing the class.
