Student Requirement:
I, _________________________________________, fully understand that I must adhere to the following conditions described in this document.

______ 1. The decision of the Financial Aid Academic Appeal Committee is final, and cannot be appealed.

______ 2. An appeal should only be submitted if a student’s failure to maintain satisfactory academic progress is based upon extenuating circumstances and/or events beyond his/her control. Circumstances may include, but are not limited to, medical issues, death, or illness. Documentation of extenuating circumstances may be requested by the committee.

______ 3. If the appeal is denied, a student may not submit another Financial Aid Academic Appeal in the current or following years until s/he has successfully completed nine (9) hours with a 2.5 GPA and 100% Completion Rate (no F/RF, failing grades, or W/WP/WF, withdrawals).

______ 4. If the appeal is approved, a student will be placed on Continued Probation and a Financial Aid Academic Plan will be established. An Academic Plan may be established for one or more semesters. The student’s transcript will be reevaluated at the end of each semester. Under the Academic Plan, a student must meet the established requirements each semester to remain eligible for financial aid. Failure to meet the Plan’s requirements will result in the termination of financial aid.
