## What can the college do to help you achieve your educational goals?

**A**
- Help me find ways to pay for my education besides fafsa.
- Give me classes to take.
- continue to have great teachers that actually care.
- Stay on the staff so they can push and motivate us to do well in our classes.
- I can assist in teaching me different aspects about my chosen profession.

**B**
- Find different ways for people who do not qualify for financial aid to get help.
- Nothing really
- Stay on the staff, so they can motivate us to do the best we can.
- Teach me about my chosen profession.

**C**
- VGcc has a great support system when it comes to educating its student and i think im ok
- Everything was good.
- N/A
- i'm satisfied with my educational goals
- provide classes i need for my degree more than ever other semester

**D**
- Satisfied with the opportunities that are provided.
- na
- give more example for what is needed to be done for online courses
- offer more programs
- have more class room instruction
- nothing at this time
- na

**E**
- Get rid of the big blue button and put instructors in the class
- Get more teacher who really care if you learn any thing or not
### What can the college do to help you achieve your educational goals?

- Take the students opinions and concerns more seriously when it comes to courses and or teachers/work.
- Have the classrooms set up and ready when semester begins. We have spend 30 minutes of classroom time each class to get the big blue button to work.
- Have the classrooms set up and ready when semester begins.
- Provide more resource information for online courses besides the required book.
- Offer more online courses.

### What can VGCC do to better help you prepare for the global workforce?

- Have someone help us find jobs in our field now while we are in school if they will help us get through school.
- Give me classes to take.
- Continue to have great teachers that actually care.
- N/a
- Vgcc can continue doing what they're doing.

- Have some co-op classes for most degrees. Have someone to help us find jobs that will help us get through school that is in the field we are going in.
- Nothing really
- N/a
- Everything is fine

- Just me getting the education i need
  - Maybe offer to rent out lab tops for students who don't have access to one.
  - N/A
  - Nothing needs to be changed.
  - Have more career days

- Satisfied with the opportunities that are provided.
  - Na
  - Hands on experiences
  - Offer more programs
  - Not sure
  - Nothing at this time
  - Na

- Have more people come in and talk to you about the field that you are getting a degree in
  - By teaching only what you are going to school for with no other extra classes
  - Offer jobs available that have to do with our degree before we actually graduate so we have the opportunity to put our hard work to use in the workforce sooner than after we graduate.
  - We need to have more time for some class. We are having to rush to get chapters done and we are not understanding it.
What can VGCC do to better help you prepare for the global workforce?

F
- Bachelors degrees
- N/A
- I do not know right now.
- n/a
- This is my first semester part time online. I'm not really sure at this point what VGCC can do to help me better.

G
- Nothing
- N/A
- Have more seminars.

What improvements in programs and/or services would you like to see? Consider cultural awareness and social, occupational, intellectual and economic skills.

A
- I would like to see co-op classes in more of our programs. I would also like for the co-op places to be able to consider us for permanent employment if everything works out.
- More courses available in all campuses not just specific courses at certain ones. Servers need to be faster for online classes or ones that use things like BigBlueButton.
- Get better internet service, sometimes the computers are slow or don't work and sometimes you can't even print anything off. I can print off one page and certain computers will charge me for two or more.
- N/a
- I would like to see more understanding and agreement amongst professors and counselors.

B
- I would like to see a counselor that can help us find jobs in our field.
- Nothing really
- N/A
- agreement amongst professors and counselors

C
- great school
- I think the school do a wonderful job with cultural awareness.
- N/A
- No improvements are needed.
- provide classes i need for my degree more than ever other semester

D
- Satisfied with the opportunities that are provided.
- na
- hands on
- offer more programs
- more guidance and mentoring
- nothing at this time
- na

E
- I don't know
- none
- There are no improvements i can think of in this program.
- More time to learn the information.
What improvements in programs and/or services would you like to see? Consider cultural awareness and social, occupational, intellectual and economic skills.

F  ● CompTIA A+  CompTIA Network+  CompTIA Security+  CompTIA Project+  Oracle Certified Associate, Java SE 7 Programmer

   The only thing I can think of is calling the college to get questions answered. This is my first semester and it seemed that if I called I never got the information I needed I had to drive to the campus to speak face to face with someone.

G  ● Nothing
   N/A
   More online classes.

Please provide any other comments about your learning experience.

A  ● She is an awesome teacher! She has many different teaching methods that help all the different types of learners.
   ● I enjoy Sharon O' Geary's classes, she's a great teacher and one of my favorite on campus.
   ● Mrs. O'Geary is a great teacher! She is always willing to work with you and help you out if you are in a tight situation or behind in class work. She has a great personality and makes you feel welcomed in the class not just like your another one of her students. She will definitely keep you on task and make sure you are typing!
   ● This was an amazing experience with an amazing instructor.
   ● The program was a great learning experience.

B  ● I love the way she teaches! She has a variety of different teaching methods!
   ● You can keep up the great job your doing
   ● it was an amazing experience, with an amazing instructor.
   ● it is fine

C  ● Giving you time to get assignment in, i have a small child so i have to do things around his schedule
   ● I had a good learning experience this semester.
   ● Overall, I have learned more about Office Software Applications.
   ● I really enjoyed my online course with the professor.
   ● enjoyed this class with u as the teacher

D  ● Mrs. O'Geary is very considerate of her students, she is very much concern with her students success. Mrs. O'Geary teaching methods need to be commended as she allows a student the open door treatment for any concerns. I truly appreciate her as my instructor.
   ● na
   ● it was challenging but I'm grateful for the experience
   ● grade things faster
   ● Ms. O'Geary presented in a well organized fashion. She reached out to all. She wished the best for all. She was fair.
   ● She is a good teacher but I think that she gives to much work in one week. It is difficult to keep up with her class as well as four others and working 40 hrs a week.
   ● na

E  ● Mrs. Sharon is a very good instructor and she truly cares about her students and their education.
   ● Sharon is a very good teacher one of the best
Please provide any other comments about your learning experience.

- Sharon is by far an amazing instructor, she always has been every single semester I have had her. Her teaching skills are always where they should be.
- I have enjoyed each class that I have had with Ms. Sharon. She is an excellent instructor. She makes sure that we understand it before we move on.

F

- Very heavy workload. Too many assignments and forum postings in each module. I enjoyed the three quizzes though as the first two gave me good practice for the major one.
- I have enjoyed my online psych class. Ms. O'Geary seems to genuinely care about her students and their success.
- Mrs. O'Geary is an excellent teacher who has a passion for it and is very patient and attentive to the needs of her students. This course can be rather challenging, but with a teacher like Mrs. O,Geary, it's not so bad.
- Great instructor! The assignments and other required work helped to learn the course more efficiently. And the emails were great to let you know you were available and care about her students.
- This is my first online course that I have taken. You have been great and I have really enjoyed your class!

G

- Towards the end the number of discussion forums started to escalate. They went from one to 2 and 3. As if the student had only this one class to keep up with and the Due date calendar only had dates for one forum discussion. Overall the class was okay.
- Very satisfied with this instructor!
- I have really enjoyed class this semester. The assignments were very interesting as well as the material within the text book.
