

**The Report on Athletic Program Participation Rates and Financial Support Data
For Vance-Granville Community College
For the 2015 – 2016 Fiscal Year**

October 2016

Overview

At the start of the 2015-2016 fiscal year, the athletics program at Vance-Granville Community College (VGCC) consisted of two sports – women’s volleyball and men’s basketball,

When VGCC joined the National Junior College Athletic Association for the 2008-2009 academic year, men’s basketball was the only NJCAA-level sport at VGCC. In 2009-2010, women’s volleyball and men’s golf began competing in the NJCAA. VGCC currently competes in men’s basketball and men’s and women’s golf at the NJCAA Division II level and is a member of NJCAA Region X. Women’s volleyball began competing at the NJCAA Division III level during Fall 2012. This was based upon a recommendation of the NJCAA Region X Director and was designed to assist the women’s volleyball program with becoming more competitive.

Participation Levels and Financial Aid

While there were 237 (37 percent) full-time male curriculum students and 411 (63 percent) full-time female curriculum students, there were 15 (68 percent) male student-athletes and 7 (32 percent) female student-athletes. The number of student-athletes listed here includes those who were on VGCC’s roster as of the day of the first scheduled contest. Each student-athlete participated in just one sport.

During the 2015-2016 fiscal year VGCC spent \$65.05 in recruiting male athletes and \$0 in the recruitment of female athletes. In addition, none of VGCC’s student-athletes receive athletically-related aid. Student-athletes may apply for financial aid through the same methods and channels as any other VGCC student. The number of participants participating on a second team is 0. The number of participants participating on a third team is 0.

Revenues and Expenses

The athletics program is funded via discretionary institutional funds, primarily from student fees, with some funds being generated from fundraising and sponsor donations totaling \$2048. The athletics program currently receives no other revenues. During the 2015-2016 fiscal year, the athletics program expenses totaled \$52,362. Of this total, men’s basketball expenses were \$31,632 and women’s volleyball expenses were \$20,730. Expenses not allocated by gender/sport totaled \$51,759. Since VGCC does not have any athletics facilities of its own, the college rents the Aycock Recreation Center Gym in Henderson, N.C., for volleyball matches and basketball games.

VGCC’s coaches are classified as part-time employees and received a total of \$9672.28 in monetary compensation. Of this amount, the women’s sports staff received \$4105, and the men’s sports staff received \$5567.28. Whereas the basketball staff consisted of a male head coach,

and one male assistant coach position. The volleyball coach had one male coach. Women's sports head coaching salaries totaled \$3500, and men's sports head coaching salaries totaled \$4200. The men's assistant coach salaries totaled \$1,500.

Academics

To assist VGCC's student-athletes with being as successful as possible in the classroom, the Academic Skills Center provides tutoring services to student-athletes, as well as any other student who desires the service. Through collaboration with the Student Learning and Success Center, the Athletics Department requires student-athletes who are new to VGCC or who do not possess cumulative 3.0 grade point averages to attend a student-athlete tutoring that is managed by the Academic Skills Center.
