[Sign Up](#)

- b. Verify your account by opening the “**Welcome to Cengage**” email that was sent to the email that you used to create your account or used to sign in
  - c. Click “**Activate Cengage Account**” to then set your password
3. You may need to click **refresh** if your page doesn't refresh automatically to activate your subscription

4. Once your subscription is activated, the titles of the required textbooks can be typed into the “**Search the catalog**” to receive access to the digital versions of the textbooks; you will need to click add to home to add the digital book to your profile
  - a. If you would prefer a physical copy of the books you can **rent** the physical version from Cengage for approximately \$10 each; you will have to pay out of pocket for this option (Financial Aid cannot be used on Cengage's website)
5. To add your classes to your dashboard on Cengage you will need the course code or course key from your instructor
  - a. It might be a link on their syllabus on their Moodle or you can email them and ask for it
