2026-2027 Family Size Verification – Dependent Student

The Financial Aid Office at Vance-Granville Community College (VGCC) must compare information from your 2026-2027 FAFSA with the information you provide on this worksheet and any other required documents. If there are differences, your Financial Aid Office could require additional documentation, and your FAFSA information may need to be corrected. You will not receive federal financial aid until all verification requirements are met and corrections are made.

The provided criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S. tax return at the time of completing the 2026-2027 FAFSA. As a result, the parent should not include any unborn children in the family size.
