## 2026-2027 Family Size Verification – Independent Student

The Financial Aid Office at Vance-Granville Community College (VGCC) must compare information from your 2026-2027 FAFSA with the information you provide on this worksheet and with any other required documents. If there are differences, the VGCC Financial Aid Office could require additional documentation, and your FAFSA information may need to be corrected. You will not receive federal financial aid until all verification requirements are met and the necessary corrections made.

### A. Student’s Information

Last Name	First Name	M.I.	VGCC ID#
Street Address		Address 2	
City, State, Zip Code		Date of Birth	
Phone Number (include area code)		Email Address	

### B. Family Size Information

List the people you will support between July 1, 2026, and June 30, 2027. Family size includes the following:

- The student.
- The student’s spouse, if applicable.
- The student’s dependent children if the following are true:
  - They live with the student (or live apart because of college enrollment);
  - They receive more than half of their support from the student, and
  - They will continue to receive more than half their support from the student during the award year.
- Other persons if the following are true:
  - They live with the student;
  - They receive more than half of their support from the student, and
  - They will continue to receive more than half their support from the student during the award year.

The provided criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the student could claim as a dependent on a U.S. tax return if the student were to file a U.S tax return at the time of completing the 2026-2027 FAFSA. As a result, the student should not include any unborn children in the family size.
