## Inside This Issue

Radiography Welcomes a New Cohort  
Laerdal Simulation Training  
A Word From Our Dean

# RADIOGRAPHY WELCOMES A NEW COHORT

The Radiography program proudly welcomed 22 new students this fall!

# A NEW ADDITION TO THE NURSING SIM LAB

On Friday, August 28, 2026, members of the Nursing faculty completed Laerdal training on the SimMan 3G Plus, a new addition to the Nursing Simulation Lab.

**Training Participants** Dr. Nakisha Powell - Nursing Program Director | Leslie Parrott - Nursing Faculty | Michelle Williams - Clinical Nursing Education Coordinator | Cynthia Knott - ADN Instructor | Rosa Faulkner - Nursing Faculty & Dr. Mercedes Kamoru - Medical Assisting Program Director

This collaborative training expands opportunities for immersive learning across programs and strengthens faculty preparation for meaningful simulation, guided practice, and reflective debriefing.

# A WORD TO OUR STUDENTS

## FROM OUR DEAN

Remember that you do not travel this journey alone. Our faculty and staff remain committed to supporting your learning and helping you develop the confidence needed to serve patients, families, and communities with excellence. I encourage you to remain engaged, ask questions, support your classmates, and keep your purpose in view. I wish you continued success and a productive remainder of the semester filled with meaningful learning and steady progress.

*Dr. Angela M. Thomas, Dean, School of Health Sciences*
